

# CEDAR VALLEY CIVIC IMPROVEMENT ASSOCIATION

May 29, 2024

Hello!

We are the Cedar Valley Civic Improvement Association. This is our 4th year as a 501(c)4 nonprofit association and we are excited for what the future holds.

We started this association to allow us to continue providing traditional events for the citizens of Eagle Mountain, Cedar Fort, Fairfield, and surrounding areas. Each year, we've had a strong focus on our 24th of July celebration, which includes the Cedar Valley rodeo, carnival, and parade along with other traditions that have carried on within our community for over **100 years** now. We also celebrated our hometown heroes on 9/11, completed service projects at the rodeo grounds, pioneer cemetery, and Cedar Fort Park, held a Halloween celebration, provided a Christmas Eve program, and supplied Christmas to a family in need.

We are devoted to sharing the history of our valley while strengthening our community for the future. We look forward to contributing to the social wellbeing of our community, recognizing our proud military & local hero families, and other service projects for those with a need.

With your help and support we can make these events and goals a success. Please consider supporting our civic association. We believe determination today, leads to success for tomorrow. Together, we have a bright future.

Enclosed, you will find a sponsorship package detailing the various levels of sponsorship and the corresponding benefits. We are open to discussing any custom sponsorship opportunities that align with your company's goals and marketing strategy.

We are beyond grateful for your support! We could not pull this off without you! Thank you!
